Sticky, Licky, Vicky turn.

After going out for the evening my partner Mark and I stayed the night at my mate Jessica's as we couldn't drive home.

Mark and I stayed in the spare room and having drunk so much I woke up in the middle of the night to go to the toilet.

I got a bit lost in the dark on the way back and only just found my way back into bed without waking anyone up.

As soon as I pulled the covers over me I felt a hand fondling my boobs and arse.

I was shocked as I thought Mark was asleep.

Then I realised it was my mate Jessica - I had got the

When she turned me over on my back and tongued my wet hole I came buckets.

Next she ran her tongue up and down my arse crack. She dripped saliva on her fingers so she could insert them up my arse.

I moaned in pleasure and it must have been louder than I thought because I looked up and there was Mark silhouetted in the doorway.

He came over to the bed and released his rigid cock from his boxers.

I gave him a blowjob while he watched me get the tongue fucking of my life.

Next Jessica reached down the bed and got a vibrator. I felt her

insert it into my hungry pussy and within minutes I was shaking with another orgasm with Mark's big cock in my mouth.

Once I had finished I asked Jessica to insert it up my arse and Mark took it upon himself to fill my throbbing pussy with his fat cock.

With two poles jiggling about inside of me I had yet another orgasm.

It was too much for Mark who blew his load soon after me and collapsed on the bed.

Jessica started sucking his sticky cock which made me feel left out.

Jess said I could help by tongue fucking her.

I'd never been with another woman before so I wasn't sure what to do but as Jessica rammed her arse back on to my face I soon got the hang of it. I licked and sucked her clit

wrong room!

I was shocked when her hand came over my thigh and started pulling my thighs apart. But I didn't move.

Her other hand could feel my moistening pussy.

Before I had a chance to do anything she was fingering my clit and ramming her hand into my sopping wet pussy.

She started kissing the back of my neck, shoulder blades and arse cheeks in

and poked her bum and was rewarded with a faceful of her bodily juices.

Mark and I are now totally turned on by the thought of

another threesome, this time perhaps with a total stranger.

Vicky, Shropshire.

EVA

Last time we met up with Eva she was having a tippie in her local boozer, but now it looks like she's gone and got a job there...

"Well it's funny, but the landlord was so impressed with my performance that he thought I might prove to be a bit of an attraction if he put me behind the bar! I have to say, there are worse ways to make a bit of money than pouring pints and flirting with the regulars! And whenever we have a lock-in things tend to get a lot more interesting than just flirting! I bet your readers would love to know where the boozer is, wouldn't they?!"
Yep, reckon so!

MOMMIE BLOWS BEST!

MILF
stud! Well, she pulling up her negligee and shoving her shapely arse in his face, which works a treat. She's soon wanking and sucking on his pole before it's time for some god ol' doggy style, complete with a spectacular fanny fart! There's another Brit at the end who's no better than she should be either in this no-nonsense MILF/BBC compendium!

Available from you local sex shop.

LET'S PLAY HOUSE!

It's time for another tranche of UK splashers to team up with some rampant cock for some home-grown smut, and first up is small-boobed Tiffany Naylor, whose shiny leggings soon get yanked down so tattooed Dean can access her shapely behind. Nice doggy, spoons and some reverse cowgirl mean

we get to see her from all the best angles. Other hotties in the mix include Jasmine Jae, who loves the drilling she gets in and out of camouflaged gear, and Lucia Love, who's oiled-up rump looks a treat as Dean's prick slides between her cheeks. Carla Mai and Mishka Devlin round things off nicely, although they're not especially MILFy! Available from your local sex shop.

Dear Julia

Your double helping of Halloween harlots this month reminded me of the finest thing that ever happened to me at a party. About 20 years ago I went to a fancy dress Halloween party with my then girlfriend, Nikki, who when as a not very imaginative ghost – basically a white sheet while I made a bit more of an effort and went as a zombie. The party was pretty dull, but the drinks were flowing and everyone eventually got pretty merry. Anyway, at one point I headed upstairs to the bog and who should be coming out but Nikki. Feeling a bit frisky after a few drinks, I grabbed her and said, "Why don't we make this party a bit more interesting?" and pulled her into the bathroom with me. She was more than up for it, and before long her sheet-clad head was bobbing up and down on my swollen cock until I fired my load deep into the back of her throat. It was only as I was getting myself cleaned up that I noticed that she was wearing the wrong shoes and was a bit on the tall side – it clearly wasn't Nikki at all! I didn't know quite what to say, and just pretended everything was fine as she, and eventually I, headed downstairs. Needless to say, I didn't say anything to Nikki, and to this day I've got no idea who the mystery woman who sucked me off was! Steve, Leicester.

Julia says: Assuming it was a woman, eh, Steve?

DEAR JULIA

Dear Julia

I don't know if someone had been thumbing through the mag before I bought it, but as soon as I got my latest Escort home it just fell open at the page 25, which featured not one but two photos of the horny pair stacked up, presenting no fewer than four inviting orifices to probe in one go (well, you can't quite see Frankie's, but you know it's there!). Needless to say, that page was quite enough for me for the next hour or two, and I've returned to it several times since then! Alan, Clapton.

Glory Holes!

Keep a Ghoul head!

Private's 5 BBC Gangbangs contains, well – how can I say this without it sounding stupid? – five scenes in which some very cute white Euro chicks get pronged by no fewer than four black studs each. No nonsense – it does exactly what it says on the tin, with cuties like Julia Pink, Nathaly Cherie and Paulina Soul all getting in the middle of a quartet of big black cocks and letting them do whatever they fancy. Absolute filth from start to frosty finish. Some of the girls are on debut, too!

Every now and again you'll find a plucky porn star who's up for a double vaginal – or even double anal – dicking! Well now you can try it at home without the assistance of a couple of two very flexible studs thanks to this whopping double dildo. The cocks are molded together so it's not for DPs, just double penetration of the same hole! At 9 inches in length monster will definitely fill her up, and the suction cup means it can be used with a strap-on or just stuck onto the wall/floor. Also, of course, available in black!

REAL WIFE SEX

Tracy only gets naughty at the weekends!

"Colin lapped along the length of my labia, teasing my love bud..."

I am a suburban housewife with a loving husband, two young kids, two cars, and a mortgage, living on a boring housing estate.

During the working week John goes to his nine to five job and I take the kids to and from school. In the evening we have a family dinner and once the kids are in bed we watch the telly. But on the weekends it's become a totally different story: the kids go to their grandparents, alternating between my parents' and John's. This arrangement gives us the freedom to have fun of our own.

It all started when I was surfing the net one night and saw an advert for a swingers' club. Half-joking, half-excited, I showed the site to John. To my surprise he confessed he had been browsing swingers' sites for a while but did not know if I would be up for it.

Our sex life has always been good. John has a sizeable cock and I am very responsive and multi-orgasmic. We often experiment with different positions and have tried out plenty of toys and other stuff

such as role play. Adding another person to the action was something we had never tried, but as we talked it over John admitted he had always yearned to be cuckolded. He wanted me to be fucked by another man. I've always been pretty open minded, so I wasn't too shocked, and it wasn't long before we'd decided to put his fantasy into effect.

We began to trawl through adverts on swingers' sites, sorting likely blokes and sending them messages. It didn't take long to narrow the search down and in the end we choose Colin, a well-built farmer just a few years younger than me. We Skyped for a couple of weeks until we all got comfortable before arranging to meet up in a nearby pub.

Colin was even more attractive in person and by the time we'd our drinks I was gagging to get him into bed. John seemed

very excited by the whole affair, assuring Colin how much he was looking forward to seeing me fucking another man. When we got home we all went straight upstairs. John had carefully placed lamps around our bedroom so that he could see the action from every angle without ruining the atmosphere.

It felt strange being touched by another man in my marital bed, but I wanted to John a show to remember so I asked Colin to lie back and allow me to suck his cock. He happily moved into position, allowing me to get between his legs and take his fine big cock in my fist. It was even thicker than John's, which pleased me – and, John told me later, thrilled John too – plus it was also circumcised, which was a first for me. I loved the way Colin's pre-come glazed his large bulbous cockhead and I started licking it like it was an ice-cream cone. He murmured and pulled me closer so he could hold my head in position, and

as he did so he pushed his cock almost to the back of my throat. I gagged slightly as I felt his helmet nudge and tilted my head back so I could accommodate it before beginning to bob my head in time with his thrusts.

I was totally immersed in what I was doing and almost missed the fact that Colin was not far from coming in my mouth. With a sigh he pulled back, shaking his head as he complimented my oral skills. I felt even hornier knowing that my man was getting off on watching me. Then Colin surprised me by turning me onto my hands and knees and eating me out from behind. I guessed he was probably doing this for John's benefit because I could hear John wanking hard while watching Colin licking away between my pussy-lips.

Colin lapped along the length of my labia, teasing my little love bud with his tongue before licking up the pussy juice which resulted. All too soon he stopped, replacing his tongue with his fingers, holding my pussy open so John could get a good look at how excited I was. Then, nipping my clit with his fingers, he made me jerk and sway slightly as he stimulated my clit and eased his fingers in and out of my dripping pussy.

I pushed back onto his fingers, trying desperately to get myself off on his hands as his fingers teased me to the edge of orgasm. Then he stopped and I felt him position his cock against my throbbing slit. At this point he asked John's permission to enter me and as John nodded his consent, Colin pushed his thick cock right to the root inside my sopping wet fanny. I almost came on that first thrust (and John came close to doing so too!) but Colin steadied me, telling me to relax as his fingers began to roll my nipples. Surges of pleasure rippled through my body as he stimulated my most erogenous zones before beginning to fuck me with long, slow strokes. Every nerve ending quivered as I strained to come, clenching my pussy muscles tightly around his

slowly thrusting cock.

Gripping my waist, Colin began banging my pussy harder until I could not hold out a second longer. I dipped my back and came long and hard, one orgasm crashing into the next as Colin emptied his load inside me. I trembled violently as the last tremors of pleasure shook my body and in the background I saw John sitting back in his chair, his now spent cock in hand, and a big smile on his face.

For the next couple of hours Colin gave me orgasm after orgasm, while John soon recovered his strength and wanked himself silly as he watched, although much to my amazement (and delight) he still had the stamina to fuck me himself once our guest had finally left.

Colin has been back three times since then and John says he gets more excited to be cuckolded each time. And I'm not exactly complaining, either!

River Tease!

After coming home pissed from the pub late one hot afternoon, my wife Karen and I decided to go down to the river where it was quiet to take some photos.

Karen was very horny as she had been teasing a couple of lads all night, giving them the eye and flashing her crotchless knickers under her

02. KAREN

short leather skirt.

Karen stripped down to her bra and shoes, which gave me a raging hard.

In a flash she had my prick in her mouth and was sucking me dry.

She said she was really horny and wanted more. To our surprise a voice from the undergrowth said, "Maybe we can help!" The two lads from the pub emerged, pricks in hands.

There was no stopping Karen. She got one to lie on his back and after sucking him to full hardness she straddled him.

She impaled herself on his big cock and leaned forward, spreading her arse cheeks.

Then she beckoned the other one to slide up her arsehole, which he did with ease.

By then I was hard again so, standing in front of her, I put my prick in her mouth.

We fucked her solid for an hour and a half. When we'd finished she was covered in spunk. What she couldn't lick off she cleaned off in the river.

You would not believe some of the photos I got. Maybe in a few years when the censorship laws have relaxed I'll send them in.

Steve, Slough.

Look, we wanted to fly Tiffany James to the Big Apple for a no-expenses-spared shoot, but the Ed was feeling a bit tight, so here's an expenses-spared version instead – and he'd like us to point out that New York wallpaper isn't exactly free, you know! Anyway, who needs attractions like The Statue of Liberty or Brooklyn Bridge to gaze at when you've got Tiff's fantastic figure to feast your eyes on instead? A stroll through Central Park's all very well, but who wouldn't prefer to spend a bit of time with Tiff and her gorgeous smile, bodacious boobs and fabulous fanny flaps? And think of the carbon emissions you'd be saving too!

Caprice

Eagle-eyed sunseekers who found themselves at a rather remote cove earlier in the year might just have spotted the gorgeous Caprice enjoying a bit of 'me time' with only her favourite green vibe (and our snapper) for company. In fact it's probably worth carrying a pair of binoculars whenever you find yourself near the Dorset coast, because she's often to be found there...

"Yes, I'm a big fan of sunning myself in the nude — there are a few places round here where I don't often get disturbed, although to be honest, sometimes I prefer it when I am!"

Last time we hooked up with Axa Jay she was coming over all ruffty tuffty at a wrestling club because, well, she's actually pretty hard and goes in for all that sort of thing. But rest assured, to almost quote the old song, she's clearly a lover and a fighter, because here she is in her boudoir showing an altogether softer side to her nature...

"Yes, it's not just beating guys up in the ring that gets my juices flowing! Yes, I'm a big fan of sitting on their faces until they're begging for submission when we're grappling, but once we're in the bedroom I usually treat them a little bit more gently!"

Anna

I get the distinct impression that Anna Joy he's rather proud of her magnificent pale milkers, and I don't really blame her - they're a cracking set that simply demand to be shown off in the nation's favourite scruff mag!

"I guess am pretty proud of them yes! One way or another they guarantee I get plenty of attention whenever I walk into a room - even if they're covered up I can see eyes roving in my direction at my straining top!"

I bet they put a few pairs of trousers under strain, too!

Spain In The Arse!

Sara and I have been married for over 30 years and have always tried to arrange exciting sexy events for each other's birthdays.

This year I announced her treat would be a long and very dirty weekend in Spain.

I had an apartment overlooking the sea and managed to get our friends Anne and Steve to knock on the door the moment after we arrived.

Sara was gobsmacked as Steve was a guy 20 years her junior who had fucked her in every conceivable position on our last holiday.

Steve had been in touch since and was desperate to

repeat the experience. His missus Anne wanted to get her tongue inside Sara's sweet shaven cunt.

We wasted no time finding a bar and as we drank I knew Sara's cunt was getting juicier by the minute, monitored as it was by Anne's fingers under the table.

A short tipsy stroll back to the apartment and we wasted no time getting naked.

Sara leaned over the balcony and soon six hands, two cocks and Anne's tongue covered every inch of her.

Sara's pussy was leaking so much juice that Anne had

CONTACT ME

her work cut out mopping it all up with her tongue. Steve must have planend the next move as he positioned Sara and Anne in a 69 position on the coffee table. Anne licked Sara's cunt which was at a nice height for Steve's cock.

He pushed his rock-hard dick into my wife's puckered arsehole. There was so much lube from his cunt he went in easily.

Once he had established his rhythm, Anne squeezed her man's balls and sucked on Sara's engorged clit.

The screams were enough to wake the apartment block and when Anne

eventually surfaced from between Sara's legs her face was covered in a mixture of cunt juice and spunk.

I was ready to fill up Sara's well-stretched arse now but she wanted her cunt fucked so she got herself on top and ground down on my cock.

It was a great fuck and the sight of her arse going up and down must have got Steve hard again because he was soon forcing his cock into her tight hole.

We thrust together over and over to give her the best of both holes.

The sun was coming up over the sea before we finished and after only a few hours sleep we began again, this time Anne receiving the benefits of two cocks.

As we sat on the plane home Sara leaned over, kissed me on the lips and said that although her pussy was so sore she could hardly sit down, it was the best present ever.

Tony, Bedford.
